## EXPERIENCE

10/ 2021 - NOW

LE WAGON, BERLIN - *FULL STACK DEVELOPER  
AND TEACHER*

@Le Wagon, we mostly focus on Full Stack Development using Ruby on Rails, Javascript and PostgreSQL, as well as Project Management and Entrepreneurial Skills.

2017 - 2021

TATENDRANG, BERLIN - *ENGLISH TEACHER*

Teaching Primary School Children English through play, music, communication and dynamic and interactive exercises.

## PROJECTS

@sprouts

Plant Exchange App for Plant Enthusiasts. I worked on all the Plants Controllers and Show Pages, Profile Page, Navigation Bar, Card-Flipping-Function using Ruby, Javascript, HTML, CSS and presented the final product.

@dra-go!

#Fun Project, App to rent a Dragon.

I worked on all the models, controllers and views, designed the Background of the App, and presented our App.

@Yong Ju Mudang Website

Website for my Therapist Yong-Ju:  
<https://yong-ju-mudang.carrrd.co/>

@Tale of x,y and z

#fun project, game (riddle) about dragons (I love dragons): <https://hardcore-kare-2ea6cd.netlify.app>
